## Project Gopala Dairy Inauguration – A Step Towards Sustainable Livelihood

We are delighted to share the successful inauguration of our livelihood initiative, Gopala Dairy Project, on 29th April 2026 at behind Sane Village, Vashind, Shahapur (Maharashtra). The initiative began with the establishment of a small dairy unit with 5 Gir cows, a renowned indigenous breed known for its high-quality milk and adaptability to local conditions.

The inauguration ceremony was conducted with traditional rituals, reflecting our deep respect for culture and nature. The event included Gopujan (cow पूजा), Ganesh Pujan, and Bhumi Shuddhikaran, seeking divine blessings for the success and growth of the project.

We extend our heartfelt gratitude to our generous startup donors, Executor of the Estates of Chandrasinha V. Sampat & Charulata C. Sampat, Bandra, Mumbai and Maharashtra Foundation, USA, whose valuable support and belief in our vision have made this initiative possible. Their contribution plays a vital role in promoting sustainable rural livelihoods and empowering underserved communities.

Despite initial infrastructural challenges, including limited road access, the team remains committed and determined to ensure the success and growth of this initiative. This project marks a humble yet impactful beginning towards building a self-sustaining rural economy. We look forward to expanding the initiative and increasing its reach in the coming months.

## CSR Project supporting by ECGC Ltd - for Sustainable Urban Renewal through Green, Inclusive, and People-Centric Revamping the Pedestrian area Beautification in Andheri, Mumbai, Maharashtra

The NGO is proud to share the successful launch on 2<sup>nd</sup> April 2026 of a transformative CSR initiative in collaboration with corporate partners and the Brihanmumbai Municipal Corporation under the support of Export Credit Guarantee Corporation of India Ltd. This project focuses on Sustainable Urban Renewal through the green, inclusive, and people-centric revamping and beautification of pedestrian areas in Andheri, Mumbai. The initiative aims to create safer, cleaner, and more accessible walkways while enhancing urban aesthetics through plantation drives, improved infrastructure, and community-friendly design. By prioritizing pedestrian well-being and environmental sustainability, the project reflects a strong commitment to building liveable urban spaces and fostering active community engagement in the heart of the city..

## Emotional Support – Cancer Patient Counselling
